

Harvest sidewalk sale

- Balloons will be distributed to retailers the morning of
- Tables are available from the rec department
- Signage has been distributed to retailers for window placement
- Social media graphics have been emailed
- Paid advertising in the Addison independent, as well as Instagram and Facebook boosted posts

Grant

- We were accepted! (\$10,000)
- Concept is to work with retailers in the three downtowns of Addison County. Retailers giveaway surprise random Bristol box Vergennes Green and Middleberry money.
- Details will be finalized about how retailers keep track of giving away
- Next step is working with the Chamber of Commerce for advertising

Buy local

- Mixed responses from consumers
- So that very fast many people did not get their code in time
- Retailers are unsure how the money will be deposited to them once the gift certificates have been redeemed

Winter Concerns

- Airflow worries With doors and windows being shot, and small spaces.
- Air purifiers? Are people looking into this for their stores?
- Bristol CORE will check into what other towns and businesses are doing

Midd College

- Students have been released
- Colleges response has been executed very few cases on campus quarantine was very strict

Bristol radio spots

- 11 businesses participating
- The info has been sent to Bruce
- He will be in touch to set up interviews
- \$99 each check should be sent to Bristol CORE
- The spots will run for two months

Winter Plowing

- Just left boarders working on a winter plowing revision
- Addressing responsibility and care of sidewalk plowing
- Business owner should get in touch with Ian about their thoughts and experiences
- Discussion about parking for Main Street residence and the winter parking ban

Halloween (Bristol Rec)

- Bristol rack will be joining the Cousinou Oils for the haunted forest preparation on 116
- Plan to have a band playing 7-9 in the bandstand on Halloween
- Pumpkin carving in the park during the day, leaving pumpkins out through the night
- Looking into the future Bristol rack would like to do their own hundred force behind the fire station

December (Bristol Rec)

- It's all outside!
- Halle Hall is too old and not properly ventilated for a gathering of more than 15 people
- Breakfast with Santa will be Santa visiting the gazebo in the park
- Still planning on having the horse and carriage rides
- Memory tree lighting still on
- Again everything outside!

Cool Motion Sports (Bristol Rec)

- New business in Rockydale
- Outdoor gear swap the same day as sidewalk sale this Saturday

Ice Rink (Bristol Rec)

- Street hockey through October on Mondays in the rink
- Winter ice-skating planning meeting happening soon

School engagement committee

- Ian and Rae have been creating short video series involving origins and funding issues for the school district . More of those to come, all 5 town residents should be paying attention as it will be an impact on the town one way or the other

Outdoor music in Lincoln

- Group with community members have been hosting an outdoor socially distanced music gathering every Saturday would love to figure out a way to bring that into the village

Outdoor music in Bristol

- In the future Bristol rack and the Bristol rec club I've been looking into doing a music series on the rec field and baseball fields

Topics for next meeting

December CORE events
